

CMS Choose-A-Thon!

The Chimacum Middle School is holding a Choose-A-Thon fundraiser to support our school's outdoor activities on **Friday, April 12th**. Students are being asked to:

- Choose an activity they will do to **raise money**: Throw Football Through Target; Shoot Soccer Goals; Free Throws; Walk/Run/Jog; Read a Book; Volleyball Serves; Hula-Hoop; Jump Rope, Knitting.
- Between now and April 12th ask family and friends to **support the fundraiser by pledging** either a small amount per goal/basket/lap/page read, etc. or by donating a flat amount. Students have received pledge sheets for recording this information.
- On April 12th students who have gotten pledges will **participate** in their chosen activity. They will keep track of how many laps they walk, free throws they make, etc.
- After April 12th students will notify their pledge donors, show the donors the signed pledge sheets, **collect money**, and **turn in the money to the Trish or Amy in the office**.

We will provide supervised areas for reading/study hall for those students who prefer not to participate.

This is a fun way for students to help raise money for outdoor education. This is involving the whole middle school and whichever class raises the most money will get a reward.

6th grade families please contact Al Gonzalez (al_gonzalez@csd49.org) if you have any questions!
